Board of Director's Meeting
September 20, 2007
(Held at the home of Bob Krischker)

Present: Dan Dagit, Pat Endy, Gene Hewitt, Bob Krischker and Bob Marshall

Others: Deb Merchant and David Readinger from Wentworth
Also two representatives from Tru-Green

A. Driveway Maintenance

Patching is mostly complete. Two curb replacements are done.

B. Stop Signs

The chief of police is still looking into our request and will take his findings to the supervisors. We may have to take it upon ourselves to go to a township meeting.

C. Landscaping

The pipeline work has been completed and the reseeding looks good. There will be some tree trimming done this fall.

D. Contracts for Landscaping and Snow Removal

As we have to settle on our contract, True Green made a presentation. They cut back on four services. We asked them to give us their charges, without the cutbacks. We have three other companies bidding so we want all bids equal in services.

E. Wentworth Connect

David Readinger of Wentworth spoke to us. We have renewed our contract with them with the addition of the Wentworth Connect system of communication. David will be at our annual meeting to explain all facets of this.

F. Annual Meeting

This will be held at Phoenixville Country Club on Wednesday, December 5th at 7:00PM

The next meeting will be on Thursday, October 18th at 3:00pm at Bob Marshall's
